

ABOUT TANDUS ASIA

Tandus Asia manufactures ECOBOND™ modular floorcoverings in Suzhou, P.R. China. The Tandus Asia organization is responsible for the promotion and sale of these products, and those manufactured by the other Tandus Group companies, throughout the Asia Pacific region. The company currently employs 80 staff and is represented in 24 countries through a distribution network of 40 independent distributors. Tandus Asia has 9 offices located in:

- China: Beijing, Guangzhou, Hong Kong, Shanghai, & Suzhou
- Singapore, and
- India: Bangalore, Mumbai & New Delhi

By embracing local culture and producing consistently original designs, we are pursuing a new level in premium flooring solutions.

Suzhou, P.R. China

Suzhou is the manufacturing location of Tandus Asia, producing the “Asia line” of ECOBOND™ modular carpet tile products for sale primarily throughout Asia & Middle East. The Suzhou-based “Asia Customer Satisfaction & Service” group handles order processing, logistics and sample distribution for sale of the full line of Tandus products. The Suzhou-based Asia Finance team manages financial functions for the overall Tandus Asia business.

Distribution Partnerships

Exclusive distributor partnerships are aligned in every major market. Tandus Asia currently has distribution partners in the following countries and ships products from Suzhou or North America to any of the following locations:

Australia	Israel	Saudi Arabia
Bahrain	Japan	Singapore
Brunei	Korea	Sri Lanka
Cambodia	Kuwait	Taiwan
China	Malaysia	Thailand
Hong Kong	New Zealand	Turkey
India	Philippines	U.A.E.
Indonesia	Qatar	Vietnam

Tandus Asia also has contacts in other secondary Asia & Middle East markets, enabling supply to other countries when required.

While all Tandus products are available worldwide, Tandus does manufacture specific products in Tandus Asia that are based on cultural preferences in terms of pattern and color. By selecting products manufactured “in region”, the customer may also be able to minimize lead-time, as well as costs for shipping, duties and taxes.
