Manufacturer	Product	Date
Majestic	Triple Action Wipes	December 2007
Renown	Multi Enzyme Spotter / Deodorizer Wipes	December 2007
Triple S	Carpet Spot Wipes	December 2007

C&A does not advocate the application of any cleaning solution via the rinse tank of an extraction machine.

The above listed chemistry has been evaluated for the listed criteria only. No evaluation of cleaning efficacy has been performed.

All cleaning agents shall have the following characteristics:

- Contain NO optical brighteners.
- Shall NOT dry with a sticky or oily residue and must be resoil neutral.
  - Should not contain d'limonene.
- Have a pH between 4 and 9.
- Should NOT damage nylon face yarn or remove / mute color.
- Should NOT contain a bleaching agent.
- May not alter fiber color in any way.
- Must dry to a crystalline structure that readily shatters for effective removal via dry vacuuming.
