Technical Services Bulletin

December 13, 2007

TO: Valued Tandus Customers and Professional Cleaners

FROM: Tandus Technologies

SUBJECT: Rotary (Bonnet) Machine Prohibition

To all concerned:

Please be advised that Tandus, including C&A, Monterey Carpets, and Crossley Carpet Mills does emphatically prohibit the use of any/ all rotary devices/ machines for the purpose of carpet cleaning, physical agitation, and/or speed drying.

ALL Rotary devices, including but not limited to bonnet machines and Cimex triple head machines, will void the manufacturer's warranty. They are considered improper and non-approved, and shall NOT be utilized on any Tandus product.
