

TEN-YEAR COMMERCIAL LIMITED WARRANTY

ErgoStep Urethane Cushion with Enhancer® Technology

All Crossley and Monterey products with ErgoStep Urethane Cushion are covered by a limited warranty issued by Tandus against excessive surface wear, edge ravel, failure to retain backing resiliency, delamination of the secondary backing from the primary backing containing the face fiber, and excessive static electricity for a period of ten (10) years from the date of manufacturer's invoice. This limited warranty applies only when properly installed on correctly prepared floors using Tandus approved procedures and adhesives and maintained in accordance with Tandus approved maintenance and cleaning procedures. This limited warranty ten (10) year coverage remains in effect only so long as the product is owned and maintained by the original end-use purchaser in the original installation location.

Chair pads are required for this warranty to be in full effect.

Soiling visibility is affected by colors and patterns. Information on optimizing your selection can be found at www.tandus.com/color&pattern. **Appearance retention is not covered by this limited warranty.**

Adhesive and Seam Sealer: In order to maintain applicable limited warranty validation for direct-glue and double stick installations, Tandus Greenbond™ B-19 Broadloom Adhesive System must be used to adhere the product directly to the correctly prepared substrate. Additionally, for all types of installations, all seams and unfinished edges must be sealed utilizing either Tandus B-65 or Tandus B-71 Broadloom Seam Sealer. The use of Tandus Broadloom Adhesive System for direct-glue and double stick installations, and Tandus Broadloom Seam Sealer for all types of installations, is required in order to maintain applicable limited warranty validation.

EXCESSIVE SURFACE WEAR

Excessive surface wear means more than fifteen percent (15%) loss of pile fiber weight measured before and after use. This limited warranty does not cover appearance retention, matting, crushing, or normal appearance changes in high traffic areas.

EDGE RAVEL

Tandus warrants that these products will not edge ravel under normal use. All seams must be properly sealed in accordance with CRI Installation Standard 104. Tufts or loops pulled from the body of the carpet or edges where seam adhesive has not been applied are not included in this limited warranty coverage.

BACKING RESILIENCY

Tandus warrants that these products will retain backing resiliency. Backing resiliency is determined using average thickness measurements of the backing of the carpet before and after use. Since resiliency recovery is not immediate and may be influenced by temperature and other conditions, thickness must be measured only after a 72-hour conditioning period.

DELAMINATION

Tandus warrants that the secondary backing of these products will not delaminate under normal use. Delamination is defined as any separation of the polyurethane precoat from the primary carpet backing, the polyurethane precoat from the foam laminating layer, or the foam laminating layer from the outer surface, over a single specific area, in any case where the separation exceeds one hundred (100) square inches.

STATIC PROTECTION

Tandus warrants that these products will not exhibit static electricity in excess of 3.5 kilovolts as measured by AATCC Test Method 134 at a relative humidity of 20% and a room temperature of 70 degrees Fahrenheit.

If these products fail to perform as described in this limited warranty, the affected area will be repaired to conform to the limited warranty. The affected area(s) refers to the specific area(s) where failure has occurred and does not include the entire installation. If repair is not commercially practical, Tandus may, at its option, replace the affected carpet or refund the proportional purchase price for the affected area(s) during the first two (2) years of coverage. During this two (2) year period, Tandus will pay the costs of the carpet, reasonable freight, and labor. Thereafter, Tandus will pay only the costs of the carpet and reasonable freight. Tandus is not responsible for any expenses incurred for removal of furniture, partitioning, temporary walls or other fixtures on or around the affected area of the carpet.

This limited warranty does not cover pile shading, pile crushing, tears, burns, cuts, pilling, matting, damage due to improper installation, improper use, improper maintenance, installation over irregular surfaces, gauge consistency, carpet manufactured on different production dates and joined together to form seams, point loads in excess of 150 pounds per square inch or any other damage not expressly covered above and is subject to the applicable Tandus product tolerances, which are available upon request. Carpet installed on stairs or in areas subject to abnormal foot-traffic use (i.e. golf spikes, other spiked footwear, ski boots, and the like) is excluded. **This limited warranty does not cover damage resulting from improper installation or maintenance.**

Carpet must be adhered directly to the substrate utilizing a premium multi-purpose floor adhesive and remain adhered to the substrate during the duration of the Limited Warranty. It cannot be installed over existing carpet, cushion (either double glue or stretch in over pad), or Lok-Lift®. It cannot be loose laid or installed using a pressure sensitive adhesive.
