

FLOORCOVERINGS
A TANDUST™ GROUP COMPANY

SUSTAINABLE WARRANTY

C&A Floorcoverings, through the Infinity Initiative recycling program, offers to accept for recycling vinyl-backed floorcovering products after their useful life, which can be reprocessed in its recycling facility. One hundred percent of such material returned to C&A will be reprocessed into other value-added products or into the backing of recycled content Powerbond® products.

C&A warrants that no portion of the used floorcovering that is approved for use in its recycling program will be introduced into a landfill, incinerated or otherwise subjected to any other form of disposal by C&A.
