

## Tandus Can Help Lead the Way

As a company that places environmental sustainability as a top business objective, Tandus strives to help its customers earn Leadership in Energy and Environmental Design (LEED) points whenever possible. The following information provides an overview of the LEED rating system for retail and how purchasing Tandus products — Monterey, C&A or Crossley — can help contribute toward points.

**MONTEREY & CROSSLEY 12-FOOT BROADLOOM LEED PRODUCT CHART**  
Products can help contribute to a possible 8 points for LEED NC/CI and 14 points for LEED EB.
